An Act to supply certain necessary Legislative provisions not included in certain Acts therein mentioned.

[30th May, 1849.]

WHEREAS an Act of the Parliament of this Province was passed in this Session of Parliament held in the tenth and eleventh years of Her Majesty's Reign, chaptered thirty-nine, and intituled, *An Act to divide the Western District of the Province of Canada, and for other purposes therein mentioned*, and which Act is referred to and further provision made with respect to the territory to which the same applies by a certain other Act of the Parliament of this Province, passed in the present Session thereof, intituled, *An Act for abolishing the Territorial Division of Upper-Canada into Districts, and for providing for temporary Unions of Counties for Judicial and other purposes, and for the future dissolutions of such Unions, as the increase of wealth and population may require*; And whereas by the former of the said Acts provision was made for the erection of a new District, which description of territorial division is by the latter of such Acts abolished; And whereas, while the said last mentioned Act treats the area of territory which by the first mentioned Act was embraced in such new District as containing two separate counties under the names of Kent and Lambton, respectively, the Townships of which such Counties respectively consist are not specifically declared by either of the said Acts, and it is therefore expedient that such omission should be supplied: Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of the United Kingdom of Great Britain and Ireland, and intituled, *An Act to re-unite the Provinces of Upper and Lower-Canada, and for the Government of Canada*, and it is hereby enacted by the authority of the same, That for the purpose of the said last mentioned Act, and for all other purposes whatsoever, the said County of Kent shall from henceforth include and consist of the Townships of Camden, Chatham, East Dover, West Dover, Harwich, Howard, Orford, Raleigh, Romney, East Tilbury, West Tilbury and Zone, and that the said County of Lambton shall from henceforth include and consist of the Townships of Brooke, Dawn, Bosanquet, Enniskillen, Euphemia, Moore, Plympton, Sarnia, Sombra, and Warwick; and this provision with respect to the said Counties shall have the like effect to all intents and purposes whatsoever, as if the same had been inserted in either or both of the said Acts of Parliament: Provided always, nevertheless, firstly, that the said County of Lambton shall for the purpose of representation in the Legislative Assembly, continue united with the said County of Kent so as together to return one member to the said Legislative Assembly, as the territory of which such Counties consist doth at present; And provided also, secondly, that the said Counties of Kent and Lambton and the County of Essex shall form a Union of Counties, to be known as the United Counties of Essex, Kent and Lambton, until such Union shall be dissolved by Proclamation as provided by the said last mentioned Act of Parliament, or otherwise as hereinafter provided, and all the provisions of the said last mentioned Act of Parliament, applicable to Unions of Counties in general, shall be

MUNICIPAL ACTS, &c., REPEALED.

An Act to repeal the Acts in force in Upper-Canada, relative to the Establishment of Local and Municipal Authorities, and other matters of a like nature.

[30th May, 1849.]

Preamble.

The Acts and parts of Acts mentioned in the Schedule repealed with Acts continuing them or continued by them.

Proviso: Acts not to be revived or repealed, &c., by the passing of this Act, by implication.

Proviso as to proceedings relative to offences and other matters occurring before this Act shall be in force, under the Acts repealed.

WHEREAS it is expedient to repeal the several Acts in force in Upper-Canada, relating to the Incorporation of the Inhabitants of the several Districts of that part of this Province, and of certain other localities therein, the Election and duties of Township Officers, and other matters of a like nature, to the end that better provision may be made for such purposes: Be it therefore enacted, &c., That the several Acts of the Parliament of the late Province of Upper-Canada, and those of the Parliament of this Province set forth in the Schedule to this Act annexed marked A, and containing a description of the Acts and parts of Acts repealed by this Act, so far as the same shall be in force at the commencement of this Act, and all Acts continuing or making permanent any of the said Acts, or continued or made permanent by any of them, shall be, and the same are hereby repealed: Provided always, nevertheless, Firstly: That no Act or part of an Act repealed by any of the Acts hereby repealed, shall be revived by the passing of this Act, and no Act, or part of an Act, perpetuated or continued by any of the Acts hereby repealed, (except such as are herein expressly repealed), shall be repealed by the passing of this Act; And provided always, Secondly: That notwithstanding the repeal of the Acts and parts of Acts hereby repealed, all acts which might have been done, and all proceedings which might have been taken or prosecuted relating to any offences or neglects which may have been committed, or to any matters which shall have happened, or to any moneys which shall have become due, or to any fines or penalties which shall have been incurred before

the day on which this Act shall come into operation, shall and may still be done or prosecuted, and the offences and omissions may be dealt with and punished, and the moneys may be recovered and dealt with, and the fines and penalties may be imposed and applied as if the Acts, and parts of Acts, hereby repealed, continued in force, except only so far as the new Municipal Corporations to be created by and under the provisions of the Act of the present Session of Parliament to provide for the Incorporation of Townships, Counties, Villages, Towns and Cities in Upper-Canada, shall or may be substituted for the old ones.

Exception.

II. And in order that no doubt shall remain whether any or what part of any former Acts relating to the Incorporation of the Inhabitants of the several Districts of that part of this Province, and of the other localities therein, or the Election and duties of Township Officers, continue in force: Be it enacted, That all Acts and parts of Acts relating to the same, shall be, and the same are hereby repealed, so far as such Acts or parts of Acts shall be in force at the commencement of this Act, save and except such Acts or parts of Acts as are mentioned in the Schedule to this Act annexed, marked B, and save and except all other Acts made expressly for other purposes, although they incidentally touch on matters relating to such subjects, or although the provisions thereof are to be carried into effect by Officers elected or appointed under such Acts or parts of Acts, nevertheless, such matters and provisions last mentioned, so far as they are repugnant to, or inconsistent with the Act or Acts relating to such matters in force at the time, shall be, in all respects, controlled by such last mentioned Act or Acts, unless the contrary shall have been expressed in such last mentioned Act or Acts.

Recital

All Acts and parts of Acts relating to certain subjects—except those saved in Schedule B—repealed.

Further exception.

III. And whereas certain Acts mentioned and set forth in the Schedules hereto annexed, to be hereby repealed either in the whole or in part, contain certain special provisions respecting assessments upon property in the Cities, Towns and Villages to which they respectively refer; and whereas such Acts or parts of Acts are not in the said Schedules excepted out of the repeal hereby intended under the expectation that a general Act will be passed during the present Session of Parliament for establishing a more just general system of assessment in Upper-Canada than that now in force therein, and it is therefore expedient to provide that in case such Act should not be so passed, the said provisions shall remain in force: Be it therefore enacted, That until such Act for a more just general system of assessment in Upper-Canada shall be passed, or other Legislative provision be made in that behalf, so much of the several Acts mentioned in the Schedules to this Act annexed as established provide for, or regulate the assessment or mode of assessment, or the property to be assessed in any of such Cities or the liberties thereof, or in any of such Towns or Villages, or any matter relating to the same, shall continue in force as if such Acts or parts of Acts had in the said Schedules been specially excepted from repeal; and all such Acts and parts of Acts shall extend and apply to every such City and the liberties thereof, and to every such Town and Village respectively, according to the extended or altered limits thereof as established by an Act of the present Session of Parliament, intitled, *An Act to provide by one general Law for the erection of Municipal Corporations, and the establishment of regulations of Police in and for the several Counties, Cities, Towns, Townships and Villages in Upper-Canada.*

Recital.

Provisions relative to assessments saved.

IV. And be it enacted, That this Act shall commence and have force and effect upon, from and after the first day of January, in the year of our Lord, one thousand eight hundred and fifty, and not before.

If either party refuse to make his share of a Line Fence, the other party may make it and recover the costs.

III. And be it enacted, That if any party who may be in the occupation of any tract or parcel of land, shall neglect or refuse to make or repair (as the case may be) an equal or just proportion of the Division or Line Fence between such tract or parcel of land and the adjoining tract or parcel of land, for a period of thirty days after being required by a demand in writing, by the party occupying such adjoining tract or parcel of land, or after the award of the Fence Viewers as aforesaid, to make or repair such equal or just proportion of the Division or Line Fence, or if the party making the demand shall for such period neglect or refuse to make or repair an equal or just proportion of the Division or Line Fence, it shall and may be lawful for either of the said parties, after first completing his own proportion of such Fence, to make or repair, in a substantial manner and of good sound materials, the whole or any part of the said Division or Line Fence, which ought to have been by the other party made or repaired, and to recover, in the manner herein-after mentioned, of the party who may have neglected or refused in manner aforesaid to make or repair such proportion of the Division or Line Fence, the just and full value of such proportion not exceeding the sum of two shillings and six pence per rod, to be ascertained and determined in the manner hereinafter provided: Provided always, that any Fence coming within the meaning and intent of the resolution adopted by the inhabitant householders and freeholders, at their last annual Township Meeting, shall be considered by all Fence Viewers to be a lawful Fence, and when no such resolution shall have been adopted, then and in that case it shall be lawful for such Fence Viewers, when called upon, to exercise their own judgment and decide what they consider to be a lawful Fence.

Proviso: a Fence shall be considered sufficient if it be within the description declared to be so by resolution of the Township meeting. If there be no resolution, Fence Viewers to have a discretion.

Duty of the Fence Viewers in making such report.

V. And be it enacted, That such Fence Viewers, upon being personally served at least four days previously with such summons, and any two of them being there then present, and after having duly examined the Fence and received evidence, which, if required by either party, and if the said Fence Viewers shall think it expedient, shall be given under oath, they or any two of them shall determine whether the said

party plaintiff is entitled to recover any or what sum from the party defendant under the provisions of this Act; and in all cases where the commencement or extent of the part of such Division or Line Fence which each should make or repair has not been determined by the award of Fence Viewers as aforesaid, the said Fence Viewers or any two of them shall determine the same, (which determination shall be final and binding on the occupiers of the said tracts or parcels of land, and have the same effect as if it had been made by the Fence Viewers in the manner first before mentioned,) and shall report their determination upon the matters aforesaid in writing under their hands to the Justice by whom the Summons shall have been issued, and shall also, in all cases where they determine that the plaintiff or plaintiffs is or are entitled to recover any thing from the defendant or defendants, state what distance of Fence they have determined that the defendant or defendants should have made or repaired; and the said Fence Viewers, if they shall be required by either party, before they shall have made a report as aforesaid to the said Justice, shall give to such party requiring the same a true copy of their said determination.

To what point the report shall extend.

Copy may be required by either party.

Witnesses may be summoned.

VI. And be it enacted, That if either of the said parties shall desire to procure the attendance of any person or persons to give evidence before such Fence Viewers, it shall and may be lawful for the said Justice to issue, upon the application of either of the said parties, a Summons to any person or persons to attend as a witness or witnesses before the said Fence Viewers at the time and place mentioned in the said Summons to the Fence Viewers; and that the said Fence Viewers, when met as aforesaid at the time and place mentioned in the Summons, shall be and are hereby authorized, whenever it shall be desired by either party or they shall think it proper, to administer an oath to any witness, which oath shall be in the following form: "You do solemnly swear that you will true answer make to such questions as may be asked of you by either of the Fence Viewers now present, touching the matters which they are now to examine and determine: So help you God." And be it enacted, That the said Justice to whom the determination of the Fence Viewers shall be returned as aforesaid, shall transmit the same to the Clerk of the Division Court having jurisdiction over the said Township, and certify and transmit a copy thereof to the Township Clerk, to be entered in the book in which the Township proceedings are recorded, and thereupon the said Clerk of the said Division Court shall issue an execution against the goods and chattels of the said defendant or defendants, in the same manner as if the party in whose favour the said determination shall have been made, had recovered judgment in the said Court for the sum which the said Fence Viewers shall have determined as aforesaid he was entitled to receive, with such costs as are hereinafter provided and to be allowed: Provided also, that no such Writ of Execution shall be issued until after the expiration of forty days from the time of such determination.

The Report shall be transmitted by the Justice to the Clerk of the Division Court.

Execution to issue thereon.

Costs.

Proviso, delay before execution.

VIII. And be it enacted, That when any party shall cease to occupy or improve his land, or shall lay the enclosure before under improvement, in common, the said party or parties shall not have a right to take away any part of the Division or Line Fence adjoining to the next enclosure that is improved or occupied, provided the party occupying the lands adjoining the same will allow and pay therefor so much as the

Provision as to Fences adjoining lands which, after being improved, are left in common, and when the lands after being

unimproved become improved.

Fence Viewers or a majority of them shall in writing determine to be the reasonable value thereof; and whenever any lands which have laid unimproved and in common shall be afterwards enclosed or improved, the occupier or occupiers thereof shall pay for their fair or just proportion of the Division or Line Fence standing upon the divisional line between the same land and the land of the enclosure of any other occupant or proprietor, the value thereof to be ascertained and set forth in writing by three Fence Viewers, in case the parties shall not agree among themselves, and the amount of such value may be recovered according to the proportions so estimated, in the same manner and form as hereinbefore provided respecting the making and keeping in repair Division or Line Fences.

In what case only any party may remove his portion of a Line Fence.

IX. And be it enacted, That in no case shall any person be authorized to take away any part of the Division or Line Fence which to the said party may belong, adjoining to the next enclosure which is improved or occupied, unless the party or parties occupying the lands adjoining the same, refuse, after demand made in writing by the person or persons purposing to remove part of any Line Fence, to pay for the same as aforesaid; nor without first giving due notice to such party for at least twelve months previously to the removal of the same.

Provision as to Water Fences.

X. And be it enacted, That when a Water Fence or a Fence running into the water is necessary to be made, the same shall be made in equal parts, unless by the parties otherwise agreed; and in case either party shall refuse or neglect to make or maintain the share to such party belonging, similar proceedings shall or may be had, as in other cases of the like kind respecting other Fences in this Act mentioned.

Duty of Fence Viewers as to lands bounded by brooks, &c.

XI. And be it enacted, That when lands belonging to or occupied by different persons, are subject to be fenced and bounded upon or divided from each other by any brook, pond, or creek, which of itself is not a sufficient fence, in such case, if the parties disagree, the same may be submitted to three Fence Viewers, as heretofore provided; and if in the opinion of such Fence Viewers, such brook, river, pond, or creek, is not of itself a sufficient barrier, and that it is impracticable to fence at the true boundary line, they shall judge and determine how or on which side thereof the Fence shall be set up and maintained, or whether partly on one side and partly on the other, as to them shall appear just, and reduce their determination to writing as heretofore provided in other cases; and if either of the parties shall refuse or neglect to keep up or maintain the part of the Fence to such party belonging, according to the Fence Viewers' determination in writing as aforesaid, the same may be done and performed as is in this Act before provided in other cases, and the delinquent party shall be subject to the same costs and charges, and to be recovered in like manner.

And whereas it is expedient to provide for the opening of Water Courses in Upper Canada: Be it therefore enacted, That in all cases when it shall be the joint interest of parties resident to open a Ditch or Water Course for the purpose of letting off surplus water from swamps or sunken miry lands in Upper Canada, in order to enable the owners or occupiers of such swampy or sunken lands to cultivate or improve the same, it shall be the duty of such several parties to open a just and fair proportion of such Ditch or Water Course according to the several interests that such parties may have in the same; and in cases where a dispute shall or may arise as to the part, width, depth, or extent that any party so interested ought to open or make, the same may be referred to three Fence Viewers, in the same way and manner as is heretofore by this Act provided in cases of disputes between parties relative to Line

or Division Fences; and it shall be the duty of such Fence Viewers to whom such matters shall be referred, to divide or apportion such Ditch or Water Course among the several parties, in such way as in the opinion of such Fence Viewers shall be a just and equitable proportion having due regard to the interest each of the parties shall have in the opening of such Ditch or Water Course; and the Fence Viewers at the same time decide what length of time shall be allowed to each of the said parties to open his share of such Ditch or Water Course; and the determination or award of such Fence Viewers shall be made in the same manner, and have the same effect in regard to Ditches or Water Courses as is provided by this Act in regard to Division or Line Fences.

XIII. And be it enacted, That when it shall appear to such Fence Viewers that the owner or occupier of any tract or parcel of land is not sufficiently interested in the opening of such Ditch or Water Course to make him a party, and at the same time that it is necessary that such Ditch should be continued across his land by the other party or parties at his or their own expense, they may award the same in manner and form aforesaid; and upon such award, such party or parties may lawfully open such Ditch or Water Course across such land as aforesaid at his or their own expense, without being deemed to have committed a trespass by so doing.

Provision in case any party shall refuse to make his share of a Water Course.

XV. And be it enacted, That any party who may be in possession of any part of an allowance for road laid out as such in the rear of his lot, in the original survey of any Township in Upper Canada, the same being enclosed by a lawful Fence, and which road, from particular circumstances, may not be travelled or required to be used by the public for the time being, by reason of any other road or roads, being used in lieu thereof, or because the same has not been open for public travel, shall be deemed and taken to be legally possessed of that part of such road as against any other private party: Provided always, that in any such case the said possession shall cease and determine, upon an order from any two Justices of the Peace for the District in which such allowance for road may be situate, being made and directed to the proper Township Officer requiring him to open the same.

A party may take lawful possession of the allowance for road in rear of his lot, in certain cases and on certain conditions.

VI. And be enacted, That for and notwithstanding any want of qualification in respect of property in any person elected a Councillor of any Township, Village or Town, or an Alderman or Councillor of any City, at the Annual Municipal Elections for the different Townships, Villages, Towns and Cities, held in January last, the election of every such Councillor and Alderman, if in other respects sufficient, shall be and the same is hereby ratified and confirmed: Provided always nevertheless, that nothing in this Section contained shall render valid or otherwise affect the claim of any such person whose election shall have been made the subject of proceedings at law, actually instituted before the passing of this Act, and still pending before the proper tribunal; any thing herein contained to the contrary notwithstanding.

VII. And be it enacted, That the powers and duties, by the thirtieth and thirty-first Sections of the Act passed in the last Session of Parliament, chaptered thirty-five, and intituled, *An Act to repeal certain Acts therein mentioned, and to make better provision respecting the admission of Land Surveyors and the Survey of Lands in this Province*, conferred and imposed upon the Municipal Councils of the different Counties (therein called Districts) in Upper Canada, and on the Treasurers and other officers thereof, shall be and the same are hereby transferred to and imposed upon the different Township Municipalities in Upper Canada, and upon their Treasurers and Officers respectively, to be exercised and performed by such Township Municipalities, their Treasurers and other Officers in the like cases and in the like manner as is therein provided with respect to such corresponding Municipal Councils, their Treasurers and other Officers; and no such powers or duties shall henceforth belong to, or be required of, the Municipal Councils of the different Counties or Unions of Counties in Upper Canada, their Treasurers or other Officers, or any of them.

VIII. And whereas by the third Section of the said first-mentioned Act, provision was made for the Union of Townships having less than one hundred resident freeholders and householders on the Collector's Roll, to any adjacent Township having that number of such freeholders and householders, but not for the Union of several Townships having each less than the prescribed number of such freeholders and householders, but which, if formed into a Union, would together have more than such prescribed number; And whereas in the newly settled parts of the country, the want of such a provision has been found to occasion great inconvenience: Be it therefore enacted, That it shall and may be lawful for the Municipal Council of any County or Union of Counties in Upper Canada, at any time before the thirty-first day of December, in

the year of our Lord one thousand eight hundred and fifty, by a By-law to be passed for that purpose, to dissolve all or any of the Unions of Townships formed or to be formed under the authority of the said third section of the said Act, and if they shall deem it expedient so to do to form such other Unions of the Townships within such Counties or Unions of Counties, as they may think most convenient for the accommodation of the people of such Townships: Provided always nevertheless, firstly, that it shall be lawful for any such Municipal Council, in forming such Unions, to attach together any two or more Townships lying within the same County, but not when they shall be within different Counties of such Unions of Counties: And provided also, secondly, that the Townships to be thus formed into any such Union shall together have had not less than one hundred freeholders and householders on the Collector's Rolls for the last year: that the same shall have been respectively made up prior to the passing of such By-law: Provided also, thirdly, that every such By-law shall designate the order of seniority of the Townships forming every such Union of Townships, which shall in every such By-law be arranged (unless in the opinion of such Municipal Council, there may appear some special reason to arrange them otherwise) according to the relative number of freeholders and householders on such Collector's Rolls respectively, those having the greater number on such Rolls being placed senior to those having the less.

[Passed 10th August, 1850.]

Preamble.

WHEREAS there are considerable amounts of Local Taxes, Rates and Assessments accrued in Upper Canada, between the years one thousand eight hundred and thirty-six and one thousand eight hundred and forty-nine, both inclusive, still remaining due and unpaid; And whereas difficulties have arisen and doubts exist as to whether the several Collectors appointed for such years respectively, can now legally enforce payment of such arrears, and it is but fair and just that the parties assessed and in arrear should be required to pay the Taxes due by them: Be it therefore declared and enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament the United Kingdom of Great Britain and Ireland, and intituled, *An Act to re-unite the Provinces of Upper and Lower Canada, and for the Government of Canada*, and it is hereby

enacted by the authority of the same, That it shall and may be lawful for any Collector or Collectors in office during the present or any future year in the Town, Township or place in and for which he or they may be such Collector or Collectors respectively, to demand, collect, levy, sue for, recover and receive, in the same way and by such means as any Collector or Collectors may then lawfully use for collecting, levying and recovering Local Taxes in Upper Canada, all such arrears of Taxes, Rates and Assessments as became due between the years one thousand eight hundred and thirty-six and one thousand eight hundred and forty-nine, (both years inclusive) and which now remain due and unpaid.

Collectors in office may collect arrears of former years.

II. And be it enacted, That no person shall be sued for recovery of any such arrears until the same shall have been first demanded by the Collector or person specially appointed as aforesaid in the usual way, and four days (exclusive of the day of demand,) shall have elapsed without payment being made; and the Collector shall be the plaintiff in the suit or proceeding, which proceeding shall be by and before a Judge of the Division Court, or two Justices of the Peace, by summons and distress warrant in the usual way, or before the Judge of the County Court, who shall have power respectively to examine the parties themselves, if they or he deem it necessary, and their witnesses on oath, and to receive in evidence all such matters as they or he see fit to receive, in order to enable them to arrive at a just and equitable decision in the matter; and they or he shall have power to award to either party such reasonable costs as they or he may think proper, and also to allow the defendant to set off any money, produce, work or other matter heretofore paid, or delivered to, or performed by him for the Collector suing, or to or for the Collector who acted at the time when he became in arrear, if it shall appear to the said Justices or Judge, at the hearing of the case, that any such payment, delivery or performance was intended to be in satisfaction, either wholly or in part, of the arrears claimed, and the said Justices or Judge, as the case may be, shall decide according to the legal or equitable merits of each case; any law or usage to the contrary thereof in any wise notwithstanding.

Notice to the party in default, and mode of proceeding for enforcing payment, &c.

III. Provided always, and be it enacted, That such Collectors as aforesaid, shall pay over the sums by them collected as aforesaid, to the Treasurer or other officer entitled to demand and receive the same, first deducting their lawful charges and allowances: and in default thereof, shall be subject to such penalties or legal proceedings as are provided by the laws of Upper Canada, with regard to Collectors failing to account for or pay over taxes due in the localities for which they are appointed.

ment of £225.

WHEREAS in and by an Act passed in the Session held in the fourth and fifth years of Her Majesty's Reign, and intituled, *An Act to make temporary provision for the appropriation of the funds derived from the sale of School Lands, in that part of the Province formerly Upper Canada, and for other purposes*, as amended by an Act passed in the ninth year of Her Majesty's Reign, and intituled, *An Act to amend the Act therein mentioned, relating to the appropriation of Moneys derived from the sale of School Lands in Upper Canada*, it was, amongst other things, in effect enacted, That it should be lawful for the Governor in Council to authorize a sum not exceeding one hundred pounds per annum for each school, out of the moneys arising from the sale of the School Lands in the said first above cited Act mentioned, to be paid to the Board of Trustees for Grammar Schools in any District in Upper Canada, for the use and support of two other Schools than the one in the Town where the Court House is situated, in any Town, Township or Village within any of the Districts aforesaid, in which the inhabitants should provide a suitable School House, at which not less than thirty scholars should be educated, provided any such additional School should not be within six miles of the District Town; and provided also, that nothing in the said first above cited Act should prevent the Governor in Council from extending such aid to four Grammar Schools, (including the said two,) other than the one established in the District Town, should it be deemed expedient: And whereas His Excellency the Governor General in Council did, on the twenty-ninth day of November, one thousand eight hundred and forty-eight, authorize the Board of Trustees for Grammar Schools in the Home District, to propose a grant of seventy-five pounds to each of the Villages of Streetsville, Whitby and Newmarket, within the said District, being distant, respectively, more than six miles from Toronto, the District Town, for aiding to support Masters of Grammar Schools, provided such Masters should be established in buildings permanently appropriated to such Schools during the year one thousand eight hundred and forty-nine: And whereas such a Master was established in each of the said Villages, in a building permanently appropriated to such a School, during the year one thousand eight hundred and forty-nine, but owing to the number of Scholars educated at each of the said Schools, during the said year, having been less than thirty, the above mentioned sums of seventy-five pounds cannot lawfully be paid to the said Board of Trustees for the use and support of the said Schools, but it is just and right, under the circumstances of the case, to enable the Governor General in Council to authorize the payment thereof: Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice, &c., That it shall and may be lawful for the Governor General in Council to authorize a sum of two hundred and twenty-five pounds, out of the moneys arising from the sale of the School Lands in the said first above cited Act mentioned, to be paid to the Board of Trustees for Grammar Schools, in the County of York, for the use and support of the three additional Grammar Schools above mentioned, for the year one thousand eight hundred and forty-nine; any thing in the said Acts, or in any other Act or law, to the contrary thereof in any wise notwithstanding.

Township that hath been surveyed, or may hereafter be surveyed in Upper-Canada, and also at each end of the several Concession Lines of such Townships; and that lines drawn in the manner hereinafter prescribed from the monuments so erected, or to be erected, shall be taken and considered to be the permanent boundary lines of such Townships and Concessions, respectively.

XXVII. And be it enacted, That the monuments to be placed as above mentioned shall be so placed under the direction and order of the Commissioner of Crown Lands of this Province.

XXVIII. XXX. concessions were intended in the original survey to be of an equal depth, or if they were not so intended, then to the proportionate depth intended in the original survey, as shewn on the plan and field-notes thereof of record in the Office of the Commissioner of Crown Lands of this Province, having due respect to any allowance for a road or roads made in the original survey; and that a straight line joining the extremities of the division or side-lines of any lot in such concession drawn as aforesaid, shall be the true boundary of that end of the lot which has not been run in the original survey.

Fronts of concessions in certain other cases; see U. C.

XXXVII. And be it enacted, That in those Townships in Upper-Canada in which the concessions have been surveyed with double fronts, that is, with posts or monuments planted on both sides of the allowances for roads between the concessions, and the lands shall have been described in half lots, the division or side-lines shall be drawn from the posts at both ends to the centre of the concession, and each end of such concession shall be, and the same is hereby declared to be the front of its respective half of such concession, and that a straight line joining the extremities of the division or side-lines of any half lot in such concession, drawn as aforesaid, shall be the true boundary of that end of the half lot which has not been bounded in the original survey.

As to concessions in cases where alternate concession lines only have been run. U. C.

XXXVIII. And be it enacted, That in those Townships in Upper-Canada in which each alternate concession line only has been run in the original survey, but with double fronts as aforesaid, the division or side-lines shall be drawn from the posts or monuments on each side of such alternate concession lines to the depth of a concession, that is to the centre of the space contained between such alternate concession lines, if the concessions were intended in the original survey to be of an equal depth, or if they were not so intended, to the proportionate depth intended in the original survey, as shewn on the plan and field-notes thereof of record in the office of the Commissioner of Crown Lands of this Province; and each alternate concession line as aforesaid shall be and the same is hereby declared to be the front of each of the two concessions abutting thereon.

Rule when a line is to be drawn parallel to a governing line. U. C.

XXXIX. And be it enacted, That every Land Surveyor, when and as often as he is employed in Upper-Canada to run any division-line or side-line between lots, or any line required to run parallel to any division-line or side-line in the concession in which the land to be surveyed lies, shall, if it has not been done before, or if it has been done, but the course cannot at such time be ascertained, determine by astronomical observation the true course of a straight line between the front and rear ends of the governing boundary line of the concession or section, and shall run such division-line or side-line as aforesaid, truly parallel to such straight line, if so intended in the original survey, or at such angle therewith as is stated in the plan and field notes as aforesaid, which shall be deemed to be the true course of the said governing or boundary line for all the purposes of this Act, although such governing or boundary-line as marked in the field be curved or deviate otherwise from a straight course; and the same rule shall be observed, if a line is to be run at any angle with a front line or other line, which may not be straight.

Case where the original post or monument cannot be found provided for. U. C.

XL. And be it enacted, That in all cases when any Land Surveyor shall be employed in Upper-Canada to run any side-line or limit between lots, and the original post or monument from which such line should commence cannot be found, he shall in every such case, obtain the best evidence that the nature of the case will admit of, respecting such side-line, post or limit; but if the same cannot be satisfactorily

ascertained, then the Surveyor shall measure the true distance between the nearest undisputed posts, limits or monuments, and divide such distance into such number of lots as the same contained in the original survey, assigning to each a breadth proportionate to that intended in such original survey, as shewn on the plan and field-notes thereof of record in the office of the Commissioner of Crown Lands of this Province; and if any portion of the line in front of the concession in which such lots are situate, or boundary of the Township in which such concessions are situate, intended in the original survey to be straight, shall be obliterated or lost, then the Surveyor shall run a straight line between the two nearest points or places where such line can be clearly and satisfactorily ascertained, and shall plant all such intermediate posts or monuments as he may be required to plant, in the line so ascertained, having due respect to any allowance for a road or roads, common or commons, set out in such original survey; and the limits of each lot so found shall be taken to be and are hereby declared to be, the true limits thereof; any law or usage to the contrary thereof in any wise notwithstanding.

XLI. And whereas many Towns and Villages in Upper-Canada have been surveyed and laid out by companies and individuals, and by different owners of the lands comprising the same, and lands have been sold therein according to the surveys and plans thereof: Be it therefore enacted, That all allowances for road, street or streets, common or commons, which have been surveyed in such Towns or Villages in Upper-Canada, and laid down on the plans thereof, and upon which lots of land fronting on or adjoining such allowances for road, street or streets, common or commons, have been sold to purchasers, shall be and the same are hereby declared to be public highways, streets and commons; and all lines which have been run, and the courses thereof given in the survey of such Towns and Villages, and laid down on the plans thereof, and all posts or monuments which have been placed or planted in the first survey of such Towns and Villages to designate or define any such allowances for road, street or streets, lot or lots, common or commons, shall be and the same are hereby declared to be the true and unalterable lines and boundaries of all such allowances for such road, street or streets, lot or lots, common or commons, in such Towns and Villages, respectively: Provided always, that no lot or lots of land in such Towns and Villages, shall be so laid out as to interfere with, obstruct, shut up, or compose any part of any allowance for road, common or commons, which was surveyed and reserved in the original survey of the Township or Townships wherein such Towns or Villages are or may be situate: Provided also, that any owner or owners of any such Towns and Villages, or the owner or owners of any original division thereof, shall have lawful right to amend or alter the first survey and plan of any such Town or Village, or any original particular division thereof, provided no lots of land have been sold fronting on or adjoining any street or streets, common or commons where such alteration is required to be made: Provided also, that from and after the passing of this Act, no such private survey shall be valid, unless performed by a duly authorized Surveyor.

XLII. And be it enacted, That the original owner or owners of the lands forming the site of any Town or Village in Upper-Canada, mentioned in the next preceding Section of this Act, or the agent or agents, heirs or other legal representatives of the original owner or owners of any such Town or Village, or any original division thereof, shall, within one year from and after the passing of this Act, make or cause to be made and deposited in the Registry Office of the County wherein such Town or Village is situate, a fair and correct plan or map of such Town

XLIII. And be it enacted, That whenever any such plan or map of any such Town or Village, in Upper-Canada, or original division thereof, shall be made and deposited in the Registry Office of the County wherein the same shall be situate, it shall be the duty of the Registrar of such County to make a record of the same, and enter the day and year on which the same shall be deposited in his office; and for such service the said Registrar shall be entitled to charge the same fees, and no more, than are by law established for making a record of any other document, which is by law required to be entered of record in such office; and such Registrar shall thereupon keep a separate book for the registering of title deeds of lands situate in such Town or Village, in the same manner as is by law required for registering of title deeds for lands situate in Townships.

XLIV. And for avoiding all doubt as to the application of the foregoing enactments in the cases hereinafter mentioned: Be it declared and enacted, That in all cases where any Letters Patent of grant, or other Instrument, has issued for several lots or parcels of land in Upper-Canada, in concessions adjoining each other, the side-lines or limits of the lots or parcels of land therein mentioned and expressed, shall commence at the front angles of such lots or parcels of land respectively, and shall be run as hereinbefore provided, and shall not continue on in a straight line, through several concessions, unless the side-lines or limits, when

run as aforesaid, shall intersect the corresponding post or monument in the front of the concession next in rear, that is to say, each such lot or parcel of land shall be surveyed and bounded according to the provisions of this Act, independently of the other lots or parcels mentioned in the same grant or instrument.

XLV. And be it enacted, That each and every Land Surveyor in Upper-Canada shall keep exact and regular journals and field-notes of all his surveys, and file them in the order of time in which the said surveys have been performed, and shall give copies thereof to the parties concerned when so required, for which he shall be allowed the sum of five shillings currency, for each copy, if the number of words therein do not exceed four hundred words, but if the number of words therein exceed four hundred, he shall be allowed six pence additional for every hundred words therein, over and above four hundred words.

Surveyors in U. C. to keep regular journals and field-notes, and furnish copies to parties interested.

XLVI. And be it enacted, That for better ascertaining the original limits of any lot, concession, range, township or tract of land in Upper-Canada, every Land Surveyor acting in that portion of this Province, shall be and he is hereby authorized and required to administer an oath or oaths to each and every person whom he may examine at any time concerning any boundary, post or monument, or any original land mark, line, limit or angle of any township, concession, range, lot or tract of land which such Surveyor may be employed to survey.

Surveyors in U. C. may administer oaths for certain purposes.

XLVII. And be it enacted, That all evidence to be taken by any Surveyor as aforesaid, in Upper-Canada, shall be reduced to writing, and shall be read over to the person giving the same and signed by such person, or if he cannot write, he shall acknowledge the same as correct before two witnesses, who shall sign the same with the Surveyor; and such evidence shall, and any document or plan prepared and sworn to as correct before a Justice of the Peace, by any Surveyor, with reference to any survey by him performed, may be filed and kept in the Registry Office of the County in which the lands to which it relates shall be situate, subject to be produced thereafter in evidence in any Court of Law or Equity within Upper-Canada; and for receiving and filing the same, the Registrar shall be entitled to one shilling and three pence currency; and the expense of filing the same shall be borne by the parties in the same manner as other expenses of the survey.

Evidence taken by Surveyors in U. C. to be reduced to writing and signed; &c.

XLVIII. And be it enacted, That if any person shall, in any part of this Province, wilfully swear or affirm falsely concerning any matter with regard to which an oath may be required under this Act, such person shall be deemed guilty of wilful and corrupt perjury, and being thereof convicted before any competent Court shall be liable to be punished accordingly.

Wilful false swearing under this Act to be perjury.

XLIX. And be it enacted, That if any action of ejectment shall be brought against any person or persons, who, after any line or limit shall have been established according to this Act, in Upper-Canada, shall be found, in consequence of unskilful survey, to have improved on lands not his, her or their own, it shall and may be lawful for the Judge of Assize, before whom such action shall have been tried, to direct the Jury to assess such damages for the defendant or defendants for any loss he, she or they may sustain in consequence of any improvement made before the commencement of such action, and also to assess the value of the land to be recovered; and if a verdict shall be found for the plaintiff or plaintiffs, no Writ of Possession shall issue until such plaintiff or plaintiffs shall have tendered or paid the amount of such damages as aforesaid, or shall have offered to release the said land to the defendant, provided the said defendant should pay or tender to the plaintiff the value of the land so assessed, before the fourth day of the ensuing term.

As to cases in U. C. where from unskilful survey a party may have improved lands afterwards found to belong to his neighbour.

Plaintiff not to have costs in such cases from the time defendant offers to give up the lands on receiving the value of his improvements, stating the amount. Unless the Jury shall assess the improvements at less than the sum demanded. *Provido*; that no proof of Plaintiff's Lessor's title be required.

L. And be it enacted, That from and after the passing of this Act, in all cases in which the Jury before whom any action of ejectment shall be tried in Upper-Canada, shall assess the damages for the defendant as provided in the next preceding section, for improvements made upon land not his own, in consequence of unskillful survey, and when it shall be satisfactorily made to appear that the defendant does not contest the plaintiff's action for any other purpose than to obtain the value of the improvements made upon the land previous to the alteration and establishing of the lines according to law, it shall and may be lawful for the Judge before whom such action shall be tried, to certify such fact upon the record, and thereupon the defendant shall be entitled to the costs of the defence, in the same manner as if the plaintiff had been non-suited on the trial, or a verdict rendered for the defendant; provided the defendant shall, at the time of entering into the consent rule, have given notice in writing to the lessor or lessors of the plaintiff in such ejectment, or to his Attorney named on the Writ or declaration of the amount claimed for such improvements, on payment of which amount the defendant or person in possession will surrender the possession to such lessor or lessors, and that the said defendant does not intend at the trial to contest the title of the lessor or lessors of the plaintiff; and if such notice shall on the trial be found not to have been given as aforesaid, or if the Jury shall assess for the defendant a less amount than that claimed in the notice, or shall find that the defendant has refused to surrender possession of the land claimed, after tender shall have been made of the amount claimed, then in any of such cases the Judge shall not certify, and the defendant shall not be entitled to the costs of the defence, but shall pay costs to the plaintiff; any thing herein contained to the contrary notwithstanding; *Provided* always, that upon the trial of any such cause no evidence shall be required to be produced in proof of the title of the lessor or lessors of the plaintiff.

CORPORATIONS AMENDMENT ACT.

ACT 14 & 15 VIC., CAP. 109.

An Act to amend the Upper Canada Municipal Corporations Act of one thousand eight hundred and forty-nine, by adapting the same to the late change in the Upper Canada Assessment Laws, and for other purposes relating to the Municipal Corporations of that section of the Province.

[30th August, 1851.]

WHEREAS from the change in the Laws for the Assessment of Property for local purposes in Upper Canada, it has become necessary to make some corresponding alterations in those for the establishment and regulation of the Municipal Corporations of that section of the Province, the better to adapt the same to such change, as well as to make some further provisions with respect to such Municipal Corporations: Be it therefore enacted, &c., That nothing in that part of the eleventh section of the Act passed in the last Session of Parliament, chaptered sixty-seven, and intituled, *An Act to establish a more equal and just system of Assessment in the several Townships, Villages, Towns and Cities in Upper Canada*, which requires that the sums which shall be required by Law or by any By-law of any Township or County, for any lawful purpose, shall and may be taxed, rated and raised, upon estimate of the amount required for any such lawful purpose, for each year in which such tax is to be levied, shall affect or be construed to affect or apply to By-laws for creating or contracting such debts or loans as are referred to in and by the one hundred and seventy-seventh section of the Upper Canada Municipal Corporations Act of one thousand eight hundred and forty-nine, when passed in the manner prescribed by that section as modified by the provisions of this Act, or to any By-laws relating to the same.

Preamble,

Certain part of the 11th sect. of 13 & 14 Vict. c. 67, not to affect certain By-laws for creating or contracting debts or loans referred to in the 177th sect. of the U. C. Municipal Corporations Act of 1849, or any By-laws relating thereto.

II. And whereas, in consequence of the said change in the Assessment Laws, the rates imposed for the payment and satisfaction of debts and loans, heretofore incurred or contracted by Municipal Corporations, and Provisional Municipal Corporations in Upper Canada, under the provisions of the said one hundred and seventy-seventh section of the said Act, will, unless altered, produce a much larger amount of money than will be necessary for the payment and satisfaction of such debts and loans, with the interest thereof, within the time originally stipulated for that purpose, according to the provisions of the said one hundred and seventy-seventh section; and whereas, such Corporations are by the said Act precluded from lessening such rate or applying any part of the proceeds thereof

till after such payment and satisfaction, to any other purpose whatsoever; And inasmuch as the increased amount collected upon such rates will arise, not from the gradual growth of wealth and population within the jurisdiction of such Corporations respectively, but in consequence of an Act of the Legislature, extending the basis upon which such rates are made to operate, public faith, with the respective creditors of such Corporations, will not be violated by permitting such Corporations to substitute for such original special rates, new special rates, adequate to insure, under the provisions of the said new Assessment Law, the payment and satisfaction of such debts and loans, at the times originally stipulated for the payment and satisfaction thereof, within the twenty years limited by the said one hundred and seventy-seventh section of the said Act for that purpose; Be it therefore enacted, That with respect to any debt or loan, which shall have been lawfully incurred or contracted by any such Corporation according to the said one hundred and seventy-seventh section of the said Act, previous to the first day of January, which will be in the year of our Lord one thousand eight hundred and fifty-two, it shall and may be lawful for any such Corporation at any time within two years from that day, to pass a By-law, substituting a new special rate for the payment and satisfaction of any such debt or loan, in lieu of the old special rate originally imposed for that purpose, such new special rate, according to the amount of rateable property in the County, or United Counties, City, Town, Township or Village over which such Corporation shall have jurisdiction, as such amount shall have been ascertained by the Assessment Returns for such County, City, Town, Township or Village, for the financial year next preceding that in which the By-law for the substitution of such new special rate in lieu of the old one, shall be passed, being sufficient to satisfy and discharge such debt or loan, with the interest thereof, within the twenty years limited by the said section for that purpose, and on the days and times, and in the manner stipulated by such original By-law, and by the Bills, Bonds, Debentures, or other Obligations issued under the authority thereof for the payment of the same; and it shall not be competent for any such Corporation to repeal such By-law for such new special rate, or to discontinue such new special rate until such debt or loan, and the interest thereof, shall be fully paid, satisfied and discharged, nor to apply the proceeds thereof or any part thereof, to any other purpose, until the full payment, satisfaction and discharge of the same, with the interest thereof: Provided always, nevertheless, Firstly,—That in every such case, the twenty years limited by the said one hundred and seventy-seventh section of the said Act shall, as far as it may affect the amount of such new special rate, be reckoned from the time that the original By-law for the incurring or contracting of such debt or loan shall, by the terms of such original By-law, or otherwise according to Law, have taken effect and gone into operation, and that in all other respects the several provisions of the said Upper Canada Municipal Corporations Act of one thousand eight hundred and forty-nine, and of this Act, respecting original By-laws for creating or contracting debts or loans by such Corporations, shall apply to all such By-laws for substituting new special rates in lieu of the old ones, as if such last mentioned By-laws had been for creating or contracting such debts or loans originally; Provided also, Secondly,—That no such By-law for substituting any such new special rate for the old one, shall be of any force or effect whatsoever, until the same shall have been approved by the Governor of this Province in Council, as provided with respect to certain other By-laws by the twelfth section of this Act; And provided also, Thirdly,—That before any such By-law shall be so approved by the Governor in Council, the facts upon which

III. And be it enacted, That the time limited by the one hundred and eighty-second section of the said Upper Canada Municipal Corporations Act of one thousand eight hundred and forty-nine, for the different Municipal Corporations therein mentioned, to pass By-laws providing for the liquidation of any such debt as in the said one hundred and eighty-second section of the said Act is mentioned, shall be and the same is hereby extended to the first day of January, which will be in the year of our Lord one thousand eight hundred and fifty-three, and to such further day thereafter as the Governor of this Province, by Proclamation under the Great Seal thereof, issued either before or after that day, or any further day to which such time may be so extended, may from time to time think fit to appoint: Provided always, nevertheless, that nothing herein contained shall be construed to extending the time for payment, or providing for the payment, of any such debts to a period beyond the time therein limited for that purpose, that is to say, within twenty years from the first day of January, one thousand eight hundred and fifty-one.

And be it enacted, That in every By-law to be hereafter passed by any Municipal Corporation, or Provisional Municipal Corporation in Upper Canada, for creating a debt or contracting a loan upon the credit of the County or United Counties, City, Town, Township or Village, of which there are such Corporation, there shall be recited or set forth, by way of preamble to the same:—First, the amount of such debt or loan, and in some brief and general terms the object for which the same was created or contracted; Secondly, the amount required to be raised annually, according to the one hundred and seventy-seventh section of "The Upper Canada Municipal Corporations Act of one thousand eight hundred and forty-nine," as a special rate for the payment of such debt or loan, and the interest thereof, within the time thereby limited for the satisfaction and discharge of all such debts and loans, at the days and times when the same shall become payable, according to such By-law; Thirdly, the amount of the whole rateable property of such County, Union of Counties, Cities, Town, Township or Village, according to the Assessment Returns for the same, for the then next preceding financial year; and, Fourthly, the annual rate in the Pound upon such rateable property required as a special rate for the payment of the principal of such debt or loan, according to the requirements of the said one hundred and seventy-seventh section of the said Act; which amounts shall be ascertained, irrespective of any future increase of the rateable property of such County, Union of Counties, City, Town, Township or Village, and also irrespective of any income, whether in the nature of tolls, interest or dividends, to accrue or be derived from any public or Corporation work, or any stock, shares or interest in any such work, in or upon which such debt or loan, shall or may, by such Municipal Corporation, be invested or applied, or any part thereof, and also irrespective of any income to be derived from the temporary investment of such Sinking Fund, or any part thereof, pursuant to the provisions of the said one hundred and seventy-seventh section of the said Act.

V. And be it enacted, That it shall and may be lawful for any such Municipal Corporation, or Provisional Municipal Corporation, in any

or Union of Counties, for the purpose of ascertaining whether the valuations made by the Assessors in one such Township, Village or Urban Ward, bears a just relation to the valuations so made in all such Townships, Villages, and Urban Wards in each County or Union of Counties. And it shall be lawful for such Municipal Council to increase or decrease the aggregate valuations of real and personal estates and property, in any such Township, Village, or Urban Ward, adding or deducting such sum upon the hundred as may, in their opinion, be necessary to produce a just relation between all the valuations of real and personal estates in such County or Union of Counties; but it shall not be lawful for them, in any case, to reduce the aggregate valuation thereof, for the whole County or Union of Counties, as made by such Assessors.

VI. And be it enacted, That the Municipal Council of each County or Union of Counties, in apportioning any County rate among the different Townships, Villages, and Towns within such County or Union of Counties, as provided by the thirty-first section of the said Upper Canada Assessment Act of 1850, in order that the same may be a rate assessed equally on the whole rateable property of such County or Union of Counties liable to assessment within the provisions of the Upper Canada Municipal Corporations Act of 1849, shall make the amount of property returned on the assessment rolls of such Townships, Villages and Towns, for the financial year next before that in which such rate shall be so apportioned, the basis upon which such apportionment shall be made; and that, in making such apportionment between Townships in which rates are assessable on the capital value of property, and Villages and Towns in which such rates are assessable on the annual value of such property, the said capital value shall on every such occasion be taken and deemed to be greater than the said annual value in the proportion of one hundred to six, as nearly as may be, and without regarding fractions.

VII. And be it declared and enacted, That it is and shall be the duty of all Assessors to complete the duty imposed upon them by the sixteenth section of the said Act within the time therein mentioned: Provided always, nevertheless, that it is, shall and may be lawful for such Assessors, when unable to complete such duty within such time, to perform the same as soon as may be thereafter.

VIII. And whereas it is expedient to extend the time allowed by the forty-sixth and forty-seventh sections of the said Act, for the doing of certain things therein mentioned: Be it therefore enacted, That any thing required to be done by the said forty-sixth and forty-seventh sections of the said Act, before the first day of January, one thousand eight hundred and fifty-one, or the first day of January, one thousand eight hundred and fifty-two, respectively, and which shall not have been done before the said days respectively, may be lawfully done at any time within one year from the time prescribed for doing the same by the said sections, which with regard to any such thing, shall be construed and have effect as if the words "one thousand eight hundred and fifty-two" were substituted for the words "one thousand eight hundred and fifty-one," wherever the latter occur in the said sections, and the words "one thousand eight hundred and fifty-three," for the words "one thousand eight hundred and fifty-two" wherever the latter occur in the said sections: Provided always, that the Municipal Council of the County shall cause the lists to be made up by the County Treasurers in pursuance of the requirements of the said sections, to be submitted to the several Township Councils in the County before the County Clerk shall certify any arrears therein mentioned to the Clerk of the proper locality, to the end that such Township Councils may cause such lists

ACT 14 & 15 VIC., CAP. 5.

An Act to make certain alterations in the Territorial Division of Upper
Canada.

[2d August, 1851.]

WHEREAS it is expedient to make certain alterations in the present
Territorial Divisions of Upper Canada, for Judicial, Municipal and
other purposes: Be it therefore enacted by the Queen's Most Excellent
Majesty, by and with the advice and consent of the Legislative Council and
of the Legislative Assembly of the Province of Canada, constituted and
assembled by virtue of and under the authority of an Act passed in the
Parliament of the United Kingdom of Great Britain and Ireland, and inti-
tuled, *An Act to re-unite the Provinces of Upper and Lower Canada, and for
the Government of Canada*, and it is hereby enacted by the authority of the
same, That from and after the time when this Act shall come into force,
Upper Canada shall be divided into the Counties mentioned in the Sched-
ule to this Act marked A, which Counties shall respectively include and
consist of the several Townships mentioned in the said Schedule as
forming such County, and the Cities, Towns and Villages and the
Liberties of the said several Cities therein: Provided always, that for
municipal purposes, the Cities of Toronto, Hamilton and Kingston and
the Liberties thereof shall not form part of the Counties of York, Went-
worth and Frontenac within the limits whereof they are situate, but shall
be Counties by themselves; and that for the purpose of representation
in the Provincial Parliament, neither the said Cities nor the Liberties
thereof, nor the Towns of London, Niagara, Brockville, Bytown or
Cornwall respectively, shall form part of the Counties of York, Went-
worth, Frontenac, Middlesex, Lincoln, Leeds, Carleton and Stormont
within the limits whereof they are situate.

II. And be it enacted, That the Counties mentioned in the Schedule
to this Act marked B, shall, for all Judicial and Municipal purposes,
and for all other purposes whatsoever, except for purposes of representa-
tion in the Provincial Parliament, be formed into Unions, as in the said
Schedule set forth; and each of such Unions, under the name of "The
United Counties of — and —" (naming them,) shall for all such
purposes, (except as before excepted) have in common between them all
such courts, offices and institutions, as by the fifth section of the Act
passed in the twelfth year of Her Majesty's Reign, intituled, *An Act for
abolishing the Territorial Division of Upper Canada into Districts, and for
providing for temporary Unions of Counties, for Judicial and other
purposes, and for the future dissolutions of such Unions, as the increase of
wealth and population may require*, are to be had in common by Counties
united under the said Act: Provided always, that any County which
now has or any two or more Counties which now have between them a
Registry office for the Registration of Titles, shall continue to have the
same, as before the passing of this Act, save and except that each County
which is now entitled to a Representative in Parliament shall also have
a separate Registry Office for the registration of titles; and Registers
shall be appointed accordingly.

III. And be it enacted, That all the provisions contained in the ninth,

Commencement of this Act.

XVI. And whereas by the third Section of the Act passed in the twelfth year of the Reign of Her Majesty, intituled, *An Act to supply certain necessary legislative provisions not included in certain Acts therein mentioned*, and by a proclamation issued in accordance therewith, the Counties of Essex and Lambton are united for judicial purposes, but the relative geographical position of the said Counties is such that parties cannot travel from either of the said Counties to the other without passing the County of Kent, or by the waters of the Lake and River St. Clair contiguous and belonging thereto, and it has been found inconvenient in the cases (amongst others) of prisoners on the limits of Essex and Lambton aforesaid, that they should not be permitted to travel from the County of Essex, where the gaol of the said united Counties is situate, into the County of Lambton, without departing from the said limits: Be it enacted, That in any case where a person shall have been heretofore, or shall hereafter be admitted to the limits of the said united Counties of Essex and Lambton in manner prescribed by law, and shall travel, or shall have heretofore travelled or departed from Essex to Lambton or from Lambton to Essex, while being a prisoner on the limits, such travel or departure shall not have or be held or construed to have or to have had any effect upon the liability of the said party or any other person, or any other effect whatever, other than would have been the case, if such person had never left the said limits or either of the said Counties; nor in the case of a party being or having been heretofore arrested on any process in either of the said Counties, shall such travel or departure from Lambton to Kent by the Sheriff or Officer employed in conveying such prisoner to the Gaol of the said Counties in Essex, have any other or greater effect upon the liability of the said Sheriff or Officer, than if the said Sheriff or Officer had never left the said Counties of Essex and Lambton during such travel: Provided nevertheless, that the limits of the three Counties of Essex, Kent and Lambton, shall not in any case be departed from during such travel.

XVII. And whereas by the thirty-second clause of an Act passed in the ninth year of Her Majesty's Reign, intituled, *An Act to consolidate and amend the Registry Laws of that part of this Province which was formerly Upper Canada*, the Registers of existing Counties are required to furnish certain statements of the Registration of such titles as may have been registered of lands lying in the part so separated, to the Registers of new Counties, but no provision has been made for defraying the expenses of furnishing such statement: Be it enacted, that every Register furnishing such statements shall be entitled to receive from, and be paid by the new County the sum of Six Pence for every folio of one hundred words contained in any such statement so furnished.

XVIII. And be it enacted, That this Act shall have force and effect upon, from and after the first day of January next, and not before, excepting the sixteenth Section thereof, which shall have force and effect upon, from and after the passing of this Act.

## THIRD SUPPLEMENT

TO THE

# MUNICIPAL MANUAL.

## CONSOLIDATED MUNICIPAL LOAN FUND.

*ACT 16 VIC., CAP. 22.*

*An Act to establish a Consolidated Municipal Loan Fund for Upper Canada.*

[10th November, 1852.]

**W**HEREAS it would greatly facilitate the borrowing, upon advantageous terms, of such sums as may be required by any County, City, Town, Township or Village Municipality in Upper Canada, for effecting or aiding in effecting important Works calculated to benefit such County, City, Town, Township or Village, that such sums should be raised by Debentures issued upon the credit of a Consolidated Municipal Loan Fund under the management of the Provincial Government, instead of being raised upon the separate credit of each individual Municipality: Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of the United Kingdom of Great Britain and Ireland, and intituled, *An Act to re-unite the Provinces of Upper and Lower Canada, and for the Government of Canada*, and it is hereby enacted by the authority of the same, That there shall be a Consolidated Municipal Loan Fund of Upper Canada, to consist of all monies which under this Act or any other Act shall be directed to form part of the said Fund; and such Fund shall be managed by the Receiver General, under the direction of the Governor of this Province in Council, and the books and accounts thereof shall be kept in his office.

Preamble.

Consolidated  
Municipal  
Loan Fund  
Established.

II. And be it enacted, That it shall be lawful for the Corporation of any County, City, Incorporated Town, Township or Village, by By-law to authorize any sum of money to be raised on the credit of the said Consolidated Municipal Loan Fund, and to appropriate such sum or so much thereof as may be found requisite, to defray the expense of building or improving any gaol or court house for the use of such Municipality, or for acquiring, making, constructing or completing, or assisting in the making, construction or completion of any Rail-road, Canal or Harbour, or for the improvement of any Navigable River, within or without the Municipality, but the acquisition, making or construction whereof will benefit the inhabitants of such County, City, Town, Township or Village, and by such By-law to declare the purposes to which the sum so to be raised shall be applied, and to make such other provi-

sions as may be requisite for ensuring the due application of such money, and the attainment of the objects contemplated by such By-law; and that it shall be lawful for the Corporation of any City or County by By-law to authorize any sum of money to be raised on the credit of the Consolidated Municipal Loan Fund, and to appropriate such sum or so much thereof as may be found necessary, to defray the cost of making or improving any Bridge, Macadamized, Gravel or Planked Road, within or without the Municipality, but the making or improving whereof will benefit the inhabitants of such County or City, and by such By-law to declare the purposes to which the sum so to be raised shall be applied, and to make such other provisions as may be requisite for ensuring the due application of such money, and the attainment of the objects contemplated by such By-law.

How a Municipality may assist in any undertaking.

1. By any such By-law it may be provided that the assistance of the Municipality shall be granted towards making, constructing, or completing any such Rail-road, Bridge, Macadamized, Gravel or Planked Road, Canal or Harbour, or towards the improvement of any navigable river, either by subscribing on behalf of the Municipality for Stock in any Company incorporated for making, constructing or completing the same, or by loaning money to such Company, or to any Board of Commissioners incorporated for any of the above purposes, in which case the security to be taken from the Company or Board of Commissioners, and the other terms of the loan shall be mentioned in the By-law.

What provisions the By-law must contain.

2. The By-law shall recite that the loan is to be raised under the provisions of this Act, and shall express the term for which the loan is required, which shall not in any case exceed thirty years, nor be less than five years.

Further provisions required in By-law.

3. If the By-law be passed by a County Council, the principal and interest of the loan shall be payable by all the Townships, Towns and Villages in the County, and the County Treasurer shall in each year apportion the amount to be paid by each, according to the amount of property returned upon the Assessment Rolls of such Townships, Towns and Villages respectively, for the financial year next preceding that for which the apportionment is to be made.

To be published before passing.

4. Such By-law, or every material provision thereof, shall be published for the information of the Rate-payers, for at least one month before the final passing thereof, in some newspaper published weekly or oftener, within the territorial jurisdiction of the Municipality, or if there be no such newspaper published within such jurisdiction, then in some newspaper published in the place nearest to such jurisdiction, and also by posting the same up in at least four public places in the Municipality, (and if it be a By-law of a County Council then in each Municipality in such County) with a notice, signed by the Clerk of the Municipality in the Council of which the By-law originated, signifying that it is a true copy of a By-law which will be taken into consideration by the Council of the Municipality after the expiration of one month from the first publication thereof in such newspaper, (the date of which first publication shall be mentioned in such notice,) and that on some day and at some hour and place, (or if the Meeting be for a County By-law, places,) named in the notice, and which shall have been previously fixed by the said Council, such day not being less than three weeks, nor more than four weeks after such first publication, a General Meeting of the qualified Municipal Electors of the Municipality, (or of the several Municipalities within the County,) will be held for the purpose of considering such By-law, and approving or disapproving the same.

6. Any six duly qualified Municipal Electors present at any such Meeting may appeal from the decision of the person presiding, and demand a Poll, and such Poll shall be granted by the person presiding at the Meeting, and shall be immediately taken by him, the Clerk of the Municipality acting as Poll Clerk; each Elector shall then present himself in turn to the person presiding, and shall give his vote "yea" or "nay,"—the word "yea" meaning that he approves the proposed By-law, and the word "nay" that he disapproves the same:—but no person's vote shall be received unless he appears by the Assessment Rolls to be a duly qualified Municipal Elector.

A Poll may be demanded.

7. The person presiding may, if necessary, adjourn the Poll at sunset on the day of meeting, until ten o'clock in the forenoon of the following day, not being a Sunday or statutory holiday, when the Poll shall be continued as on the first day, but shall be closed at sunset of such second day;—it shall be closed at any time on the first or second day if one half hour shall elapse without a vote being offered.

Adjournment of Poll.

8. At the close of the Poll the person presiding shall count the "yeas" and the "nays," and ascertain and certify for the information of the Council which originated the By-law, whether the majority is for the approval or the disapproval of the said By-law; and such certificate shall be countersigned by the Clerk of the Municipality acting as Secretary of the Meeting and kept by him, with the Poll List, among the records of his office, and a duplicate thereof transmitted to the County Clerk if the By-law originated with a County Council.

Close of the Poll.

9. If the By-law to be considered be a By-law of a County Council, the meeting to consider the same, or the poll of the electors, shall not be held for the whole County at one place, but such meeting or poll shall be held in each of the several Municipalities of such County respectively; and the question whether the By-law shall be approved or disapproved, either by the majority of the total number of electors voting "yea" or "nay," in the whole County, or by the majority of votes of Municipalities, approving or disapproving of the same, giving to each Municipality one or two votes, according as it is by Law authorized to return a Reeve or a Reeve and Deputy Reeve to the County Council of such County, in which case each Municipality shall be held to have voted for the approval of the By-law, if the Majority of Electors voting at the Meeting held therein shall have voted "yea," and to have voted for the disapproval thereof if the Majority of such Electors shall have voted "nay;" and each such County Council shall make a By-law to provide which of the two modes of decision shall be adopted, and shall also thereby declare the manner in which the decision of each

Electors, or such of

Municipality, or of the electors thereof, shall be made known to the County Clerk.

If disapproved :

10. If such By-law be disapproved by the majority of the Electors (or of the Municipalities) as aforesaid, the Council shall not proceed to pass the same, but if it be approved by such majority, and afterwards passed by the Council, then such By-law, and all the provisions thereof shall be subject to the approval of the Governor in Council, and shall have no force until such approval shall have been given; but shall not be subject to the special provisions made by the Upper Canada Municipal Corporations Act of one thousand eight hundred and forty-nine, or by any Act amending the same, concerning By-laws creating debts, or to any provisions or formalities, except those prescribed by the said Acts with regard to By-laws generally, and those prescribed by this Act; and every such By-law, when submitted to the Governor in Council for his approval, shall contain a recital that it has been approved by a majority of the duly qualified Municipal Electors (or of the Municipalities) of (or in) the Municipality, at a meeting (or meetings) called and held in conformity to the requirements of this Act, and such recital shall for all the purposes of this Act be conclusive proof of the facts therein stated, nor shall any such By-law, or anything done under it, be invalidated by any error of fact or incorrectness in such recital; but this provision shall not affect the responsibility of those who may have wilfully concurred in any mis-statement of fact in such recital.

If approved :  
Governor General to approve.

Information to be furnished to Governor.

11. Before such By-law shall be approved by the Governor in Council, proof shall be made to his satisfaction, that the By-law was published and notice given as hereinbefore required, and he shall be furnished with a statement certified under oath by the Treasurer of the Municipality, shewing the amount of taxable property therein according to the then last Assessment Roll or Rolls, and a true account of all the debts and liabilities of the Municipality and of its expenditure for every purpose, for the then last year.

Governor in Council may demand further information from Municipality.

III. And be it enacted, That it shall be lawful for the Governor in Council to require from the Municipality by the Council whereof any such By-law shall have been passed, all such documents and information as he may think necessary for ascertaining the expediency or inexpediency of such By-law, or any of the provisions thereof, and the same shall be furnished accordingly by the proper Officers of such Municipality, and no such By-law shall be repealed, amended or altered otherwise than by another By-law approved in like manner by the Governor in Council, and to which all the provisions of this Act shall apply, as to the original By-law.

8. It shall not be necessary that any Debenture should show upon what By-law or with reference to what Municipality it was issued, but each Debenture shall be distinguished by a number by which it shall be known and referred to.

9. The Governor in Council may direct that any such Debentures may on the application of the holders thereof be exchanged for another or others for the same amount of principal, payable absolutely at the same or any later date, and bearing the same or any less rate of interest.

It shall be lawful for the Receiver General to pay the interest on any Debenture out of the said Sinking Fund, if in any case the other monies at his disposal for the purpose shall be insufficient repaying the amount so paid with interest, to the said Sinking Fund, out of the monies which would otherwise be applicable to the payment of such interest so soon as the same shall come into his hands.

5. VI. And be it enacted, That whenever a By-law authorizing the raising of money by loan, under this Act, shall have been passed by the Council of any Municipality, and approved by the Governor in Council, the Treasurer of such Municipality shall *ipso facto*, and without requiring any other authority or direction whatever, have full power, and it shall be his duty, before the making out of the ordinary Collectors' Rolls in each year, if the By-law shall then be in force, and if not, then at least three months before the earliest day on which interest can be payable on any Debenture issued under such By-law, to ascertain the highest sum which can be required during the year, to pay the interest (and the principal if any be payable,) on or of Debentures issued or to be issued under such By-law, and to add five per centum thereunto for losses and expenses, and to certify the amount in a notice to the Clerk of the Municipality, or if such Municipality be a County, then to certify to the Clerk of such Township or Incorporated Town or Village therein, the portion payable by the same; and it shall be the duty of such Clerk to assess the amount so certified equally upon all the taxable property in his Municipality, and to set down on the ordinary Collectors' Roll for the year, if it shall not have been previously delivered to the Collectors, the amount with which each party or lot is chargeable, under the head of "Loan Rate for (naming the purpose)" or "County Loan Rate for (naming the purpose)" as the case may be; and if such amount

shall be so certified to any such Clerk after the time in any year when the Collectors' Rolls shall have been delivered to the Collectors, then such Clerk shall forthwith make out a special Collectors' Roll for the purpose in the form prescribed for ordinary Collectors' Rolls, so far as such form may be applicable, and shall deliver the same to the Collector: Provided always, that if there be in the hands of the Treasurer at the time of his giving such notice as aforesaid to the Clerk of the Municipality, any monies applicable to the payment of the principal or interest of the Debentures to which such notice refers, then the Treasurer may deduct such sum from that to which the notice refers before adding the five per cent. thereto; And provided also, that if the purpose for which the loan is raised be such as to produce profit or to yield returns in money to the Municipality, or if the money be loaned by it so as to produce interest, or if the capital be reimbursable to the Municipality, then it shall be lawful for the Treasurer and the Mayor, or Head of such Municipality to enter upon the Books of the Corporation, a Certificate signed by them in the form of the Schedule A, setting forth that there ought to be paid to the Municipality during the course of the year, such dividends or profits (describing them) or such interest or sums of money (mentioning the amount) or both (as the case may be), and that the said Treasurer and Mayor have reason to believe and do believe that the sums which will, from the said sources, come into the hands of the Treasurer during the year, will amount to the sum of (naming it) and

If the nett sum raised by any such rate as last aforesaid be greater than that required to enable the Treasurer to pay the Receiver General, the surplus shall remain in the hands of the Treasurer and be applicable to payments to be made to the Receiver General for the next ensuing year, on account of the same loan; and if the nett sum raised be insufficient to enable the Treasurer to pay the required sum to the Receiver General, then a new assessment shall be made as hereinafter provided in cases of deficiency.

2. All sums of money coming to the Municipality as the said profits, dividends or returns from any work for which the loan shall have been authorized, or as interest or principal of any sum lent by the Municipality out of such loan, or otherwise howsoever by reason of such loan, shall be paid into the hands of the Treasurer and by him carefully kept apart from all other monies, and paid over from time to time to the Receiver General, to be by him placed to the credit of the Municipality with the said Consolidated Municipal Loan Fund, except in so far as it shall be otherwise especially provided in the By-law authorizing such loan.

3. If it shall happen that the sum which ought under this Act to be paid over at any time by the Treasurer of any Municipality to the Receiver General, or any part of such sum, shall not be so paid over, and the Treasurer shall not have money in his hands applicable to the same, or if it shall happen that the Treasurer shall foresee that he will not have the means of paying over such sum or part thereof to the Receiver General, at the time when it ought to be so paid over, then in either case it shall be the duty of such Treasurer forthwith to add five per centum to the sum wanting for such purpose, and to certify the same to the Clerk of his Municipality, or if such Municipality be a County, then to certify to the Clerk of each Township or Incorporated Town or Village therein, the amount payable by the same, and it shall be the duty of each Clerk receiving such notice forthwith to make out a Special Collectors' Roll for the amount so certified to him, and to deliver the same to the Collectors.

4. If any sum payable as aforesaid at any time by any Treasurer to the Receiver General, be not so paid at such time, interest shall by the Receiver General be charged on such sum for the time it shall remain unpaid, against the Municipality in account with the said Consolidated Municipal Loan Fund, and deducted from the share of such Municipality in the Sinking Fund.

5. ## TORBOLTON.

ACT 16 VIC., CAP. 36.

*An Act to legalize and continue The Municipal Corporation of the Township of Torbolton.*

[10th November, 1852.]

**W**HEREAS there are within the County of Carleton conflicting opinions as to whether the Township of Torbolton, in the said County, is or is not under the provisions of the Upper Canada Municipal Corporations Act of one thousand eight hundred and forty-nine, the Upper Canada Municipal Corporations Law Amendment Act of one thousand eight hundred and fifty, and the Upper Canada Municipal Corporations Law Amendment Act of one thousand eight hundred and fifty-one, a lawfully constituted Municipal Corporation by itself; And whereas for divers reasons it is the unanimous wish of the Council of the said County, as set forth in the Petition from said Council to the Provincial Parliament in its present Session, that the said Township of Torbolton should be legalized and continued and constituted beyond all doubt a Municipal Corporation by itself, enjoying the same rights and performing the same functions as the several other Municipal Corporations of Townships within the said County; And whereas it is expedient and necessary for the safe government of the said County and of the said Township that all doubts on the above subject should be removed: Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of the United Kingdom of Great Britain and Ireland, and intituled, *An Act to re-unite the Provinces of Upper and Lower Canada, and for the Government of Canada*, and it is hereby enacted by the authority of the same, that the said Township of Torbolton is and shall be and shall have been a Municipal Corporation by itself; and all Acts and Deeds hitherto done by the Municipality of the said Township in their character as such, as also all Acts and Deeds hitherto done whether by the Municipality of the adjoining Township of March as a Municipality, or by the County Council of the County of Carleton arising from the assumption of Torbolton to Municipal Jurisdiction, shall be held to be as valid and effectual as the Acts and Deeds done by any other Municipality within the same County, not otherwise unlawful; Provided always, that this Act shall not be pleaded in any suit of Law or in Equity begun or pending before the passing of this Act.

## STAMFORD.

ACT 16 VIC., CAP. 35.

*An Act to enlarge and extend the powers granted by the Act 12 Vict., chap. 81, so as to enable the Municipal Council of the Township of Stamford, to make By-laws for the better government of that part of the said Township, which lies in the immediate vicinity of the Falls of Niagara.*

[10th November, 1852.]

Preamble.

22 Vic. c. 81.

Powers of Municipal Corporation of Stamford extended for certain purposes.

**W**HEREAS the rapid increase in the number of visitors at the Falls of Niagara, demands more stringent provisions than now by law exist in respect to licensing the owners of horses, carriages, and hackney coaches kept for hire, and of runners and other persons soliciting visitors to resort to taverns or public places, or acting as guides to the objects of curiosity in the vicinity thereof, and for compelling the prompt payment of their lawful charges therefor, and generally for the better government of the said vicinity; And whereas there is reason to believe that the Upper Canada Municipal Corporations Act of one thousand eight hundred and forty-nine does not confer upon the Municipal Corporation within whose jurisdiction the said Falls of Niagara are situate, the requisite powers to make such rules and regulations as now are or may be from time to time required for the purposes aforesaid; And whereas it is desirable that such powers should be possessed by the said Corporation: Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and of the Legislative Assembly of the Province of Canada, constituted and assembled by virtue of and under the authority of an Act passed in the Parliament of the United Kingdom of Great Britain and Ireland, and intituled, *An Act to re-unite the Provinces of Upper and Lower Canada, and for the Government of Canada*, and it is hereby enacted by the authority of the same, That it shall be lawful for the Municipal Corporation of the Township of Stamford, and they are hereby authorized and empowered, in addition to the powers which they now by law possess, from time to time to make, repeal, alter and enforce By-laws, rules and regulations, to take and have effect only within such limits within
